Block Paving

We are a family run business with over 20 years' experience in the paving and landscaping industry. Based in Sonning, Reading; covering Berkshire and surrounding areas. We specialise in domestic and commercial projects including: block paving, landscaping and brickwork for any surrounding area of your property, be it driveways, patios or car parks.

We have a comprehensive portfolio of successful projects and references as a result of excellent workmanship and use of highest quality materials. We offer a great range of paving products and features to help you achieve the perfect design for your property, whether you require a classic or contemporary style. As always we provide a professional service from start through to completion of project and within the estimated timescale. All this has resulted in earning us a reputation for providing quality services to home owners and developers.
